

Dear Parents and Guardians,

## **School Transport – Autumn Term 2021/22**

Please find enclosed details of Kilgraston School's proposed bus services for the coming term.

Following the guidance from Scottish Government and Education Scotland we are delighted to be communicating that our bus routes can be operated on a relatively normal basis as we return to School on the 26<sup>th</sup> August.

We will, of course, be continuing with our Covid-19 mitigation measures throughout the School establishment for all staff and pupils including hygiene, ventilation, improved cleaning regimes (including regular and thorough cleaning of surfaces) and regular handwashing with this also being extended to the School transport. Hand sanitizing will be required for everyone on every entry to dedicated school transport. Drivers and passengers aged 12 and over will be required to wear face coverings at all times.

Our policy on charging remains unchanged in so much as it is intended to only recover the operational costs incurred in the provision of this service and as such we have calculated these indicative costs based on assumptions of number of passengers and length of journey (using a combination of journey time and miles travelled). If we are successful in generating a higher uptake in the use of this service then we can and will review the charges downwards. Please note, if there are additional pick-up / drop off points that would be beneficial then please let us know and we will give this due consideration.

We will invoice the cost of the minibus use in arrears as we currently do for all other extras. Morning use of the bus will be on a per term basis, afternoon use of the bus will be charged on a pro-rata basis depending upon usage.

We are trialing a new booking system this year so towards the end of next week you will receive a further email with a e-form for completions if you are wishing to book your child(ren) onto the service. We ask that all families wishing to use the bus complete the form even if you have been a regular traveler in the past as it will ease the collation of our registers.

Should you have any queries, or would like to discuss the service in more detail, please do not hesitate to contact me.

Moir Mackie  
Head of Finance

**Please find below our dedicated school minibuses routes. Please note these timings are indicative and subject to change. Please ensure you confirm the timings with your driver.**
